Time: 1900 Location: COB 118

1. Opening Statements

- a. JD volunteered to let Liza and Fred stay with him during judges school
- b. We are invited to an open house in Palatka January 8 to give rides in the glider
 - i. With our tow plane or Pat's, if ours is not finished
- c. Valkyria Airfest - Bob Garner wants ASK-21 to give rides and perform aerobatics
 - i. Tow plane will be available
 - ii. Possibly bring Pitts to give rides
- d. Thunderbirds would like to visit ERAU before Sun N Fun around March 28
- e. MyFbo will be implemented by January for the Cub
 - i. Computer should be in the hangar by this Saturday
- f. Should start getting Verizon internet hopefully January 1st

2. Pitts

- a. Pitts got some new cables and Ponso test flew it and it performed really well
- b. Just needs new engine mounts now
- c. Prop should be fixed by early January

3. Gliders

- a. Herbcos says either late December or early January for Pawnee to be finished
- b. Cirrus control rods need to be cleaned and re-painted

4. Cub

- a. 100 hour due within 20 hours
- b. Scott at Hooker Harness says approx \$250 per harness

- i. We can choose either single or double shoulder straps
 - c. JD found oil leaking out of seal on propshaft
 - i. Will be fixed at the 100 hour
 - d. MyFbo for the Cub hopefully will go live by the first of the year
 - i. Minimums will probably be tailwheel with endorsement, a 90day currency which can be by-passed by management, and a minimum of a sport pilot license
- 5. Finances
 - a. Outstanding card payments need to be paid off! If you think this applies to you, contact Andrea Luethi, treasurer@eaglesportaviation.org
 - b. Hopefully, MyFbo will solve this problem
- 6. Safety
 - a. Safety report link now in MyFbo
- 7. Public Relations
- 8. Action Items**
- 9. Final Items**
